

The 2021 ISAC New County Officers School presentations will be pre-recorded and available in an online library via Basecamp. Access will be given to those who register. All newly-elected county officials and newly-appointed professionals are encouraged to register. The NCO School is also an excellent opportunity for incumbent county officials and employees to brush up on important subjects, network with others, and to act as a resource of knowledge.

#### **List of Recorded Presentations**
